\*\*\*Please note\*\*\* There is restricted access at WCBG as the perimeter gates are secured. If you want to garden outside of our normal hours at this garden please coordinate with Bret Seligman: [bretseligman@gmail.com](mailto:bretseligman@gmail.com),

Feel free to garden outside of our scheduled days/times at the CSU Extension Garden.

If you work outside of our scheduled hours at either garden please let Bret know how many hours you have put in.

If any of the above dates or times need to be changed we will make every attempt to notify members by email, but please check the online club calendar for any changes: <https://www.chinlecactusclub.org/calendar/>

We will have a set of gardening tools that you can borrow, but we encourage you to bring your own. Please mark your tools so you can identify those that belong to you.

A snack is provided at the break during each garden party. It's a fun time to socialize with fellow gardeners.

We hope to see you at our two beautiful club demonstration gardens. Gardening is great for your health, fun, and an easy way to give back to our community.
