September 25	Saturday	9: 00 am	CSU Extension Garden
October 9	Saturday	9: 00 am	WC Botanical Gardens
October 23	Saturday	9: 00 am	CSU Extension Garden

Throughout the growing season we hold “garden parties” for maintenance and refurbishment at each of the Club’s two stunning Grand Junction cactus and succulent demonstration gardens. It’s a great opportunity to share information and get hands-on experience, as well as enjoy each other’s company.

The gardening sessions last for two hours. Wear weather-appropriate clothes and bring something to drink. A snack is provided at the break during each garden party. We will have a set of gardening tools that you can borrow, but we encourage you to bring your own: light tools like a dandelion fork and hand clipper will be useful as well as a bucket for weeds. Please mark your tools so you can identify those that belong to you.

Feel free to garden outside of our scheduled days/times at the CSU Extension Garden. There is restricted access at the WCBG so if you would like to garden outside of our normal hours there please contact our Garden Coordinator, Bret Seligman: [bretseligman@gmail.com](mailto:bretseligman@gmail.com) . If you work outside of our scheduled hours at either garden please let Bret know how many hours you have put in so that we can keep track of them.

If any of the above dates or times need to be changed we will make every attempt to notify members by email, but please check the online club calendar for any changes:
