During the 2022 gardening season the club will hold “garden parties” at our CSU Extension Demonstration Garden every third week for weeding and maintenance. These will start at 9:00 am and end at 11:00 EXCEPT during the months of June, July, and August when they are held from 8:00 – 10:00 to avoid the worst of the heat. The club provides a light snack for the break.

Feel free to garden outside of our scheduled days/times at the CSU Extension Garden. If you do, please let Kate know how many hours you put in: [kate@chinlecactusclub.org](mailto:kate@chinlecactusclub.org).

If any of the above dates need to be changed (e.g., because of weather), we will notify gardeners by email, but you should also check the club calendar at <https://www.chinlecactusclub.org/calendar>.

We will have a complete set of gardening tools that you can borrow, but we encourage you to bring a few hand tools of your own. Please mark your tools so you can identify yours. Useful tools to bring include: bucket (for weeds) dandelion fork, hand pruners, small trowel, knee pad. In addition to wearing weather-appropriate clothes, bring gloves, water, sun block and a hat.
