In 2024 the club will hold “garden parties” from March 23 to October 12 at our CSU Extension Office Demonstration Garden for planting, weeding and maintenance. These will start at 9:00 am and end at 11:00 am except for the last June, July and August sessions when they will be from 8:00 am – 10:00 am to avoid the worst of the heat. The club will provide a light snack for gardeners during our break. The garden is on the north side of the CSU Extension Office, located at 2775 US-50, Grand Junction, 81503.

Our garden parties are a great place to learn about cactus and succulent gardening... and xeriscape in general ... as well as meet “like minded” gardening enthusiasts. Guests are welcome!

If any of the dates need to be changed at the last minute (e.g., because of weather), we will try to notify gardeners. If you are in doubt, check the club calendar at <https://www.chinlecactusclub.org/calendar> or text Kate @ (970) 270-5345.

We will have a complete set of gardening tools that you can borrow, but we encourage you to bring a few hand tools of your own. Please mark your tools so that you can identify them. Useful tools to bring include: a bucket for weeds, dandelion fork, hand pruner, small trowel and knee pads. In addition to wearing weather-appropriate clothes, bring gloves, water, sun block and a hat.
